Professional Experience

CITY COMMISSIONER | 03/2022 - Current

Boynton Beach - Boynton Beach, FL

- Oversee and adopt a \$300M+ municipal budget serving 80,000+ residents and 900+ city staff, applying disciplined financial review and long-range planning.
- Helped attract \$1B+ in private investment to the city through economic development, public/private collaboration, and strategic growth initiatives.
- Increased city fund balance reserves by 132%, from \$15.6M to \$36.2M, strengthening fiscal flexibility for future community investment.
- Secured millions in state and federal grants while working with municipalities, agencies, and community stakeholders to advance high-impact projects.

FH COORDINATOR, FULL-TIME | 09/2023 - 10/2025

U.S. Navy - West Palm Beach, FL

- Led the Navy Funeral Honors Program for Southeast Florida, covering 4,000 square miles from Okeechobee to Boca Raton with 100% mission success.
- Managed and coordinated 30+ personnel while supporting training, readiness, scheduling, and execution for 200+ reservists.
- Served as Facilities Manager for Navy Reserve Center West Palm Beach, supporting facility readiness, issue resolution, and operational continuity.
- Acted as liaison for veteran groups, municipalities, and nonprofits, strengthening relationships across public and community partners.

REGIONAL OPERATIONS MANAGER | 03/2022 - 01/2023

O'Brien Veterinary Group - FL / Midwest

- Oversaw 10 veterinary hospitals with 70+ staff and revenue exceeding \$10M, bringing operator-level insight to hospital performance, capacity needs, and market opportunity.
- Achieved EBITDA margins of 15-22% across practices through financial analysis, operating discipline, and manager coaching.
- Managed construction and renovation projects to improve facility capability, patient flow, and team execution across multiple sites.
- Analyzed financial performance data and prepared executive-level reporting to support growth decisions and operational prioritization.

OPERATIONS MANAGER / LEADERSHIP COUNCIL | 03/2021 - 03/2022

National Veterinary Associates - FL

- Managed hospital operations and mentored peers in business planning, leadership development, and multi-site execution.
- Supported real estate efforts and site transitions, helping align operational readiness with facility and growth requirements.
- Drove 18% revenue growth within 12 months by increasing DVM capacity from 2 to 4 and improving service delivery and client retention.
- Implemented short- and long-term operating strategies to achieve business plan, profitability, and execution goals.

AREA MANAGER | 11/2020 - 03/2021

Healthy Pets Veterinary Care - FL

- Oversaw operations and personnel development for three hospitals with 25+ staff and four DVMs.
- Created SOPs, financial statements, budgets, and reporting processes to improve visibility, accountability, and decision-making.
- Developed protocols to improve clinic efficiency, patient care, and consistency across multiple practices.
- Facilitated training programs to standardize culture and execution across locations.

HOSPITAL MANAGER / POD LEADER | 01/2015 - 07/2019

Banfield Pet Hospitals - Palm Beach County, FL

- Directed operations for four hospitals across southern Palm Beach County, balancing staffing, scheduling, revenue, service quality, and compliance.
- Increased operating income by 10-12% year over year through operational discipline and performance management.
- Achieved \$1.8M in 2018 revenue and elevated Delray location ranking from 856 to 2.
- Coordinated scheduling for veterinarians and support staff to enhance service delivery and hospital capacity.

Education

Florida Atlantic University - Boca Raton, FL | MBA, Expected 08/2027

Colorado Technical University - Colorado | Bachelor of Science, Business Administration, 06/2025
